Open Heart, Open Borders Please help!

This charity provides essential items to children and families living in need because of war and conflict. Mia Alaoui is appealing for help as her family is from Aleppo and she is collecting new and nearly new toys. She hopes that the people of Tavistock can provide the children of Aleppo with a small bag of toys and hopes to fill 700 bags to send to them.
Please donate drawstring bags (PE bags), toys, colouring books, erasers, sharpeners, dolls and teddies etc. All toys must be in good condition (washed teddies etc.) and no guns, electronics or battery operated items.
Toys can be handed in to school and will be collected this **MONDAY 30th January**.

Tavistock Parents' Running Group

Due to no participants since Christmas, this group will not be continuing at the moment. If there is enough interest, it will restart after Easter—look out for the notices.
