

# Schools Financial Benchmarking Report

## **Tavistock Community Primary & Nursery School**

Prepared for: Lynnette Selbie, Headteacher

## Introduction

This individual Schools Financial Benchmarking Report was prepared for Tavistock Community Primary & Nursery School by Arbor Education Partners using the most recent Department for Education data. We hope that you find the report useful in understanding and improving performance at Tavistock Community Primary & Nursery School.

Over the next few years we will be making this report more powerful by combining it with other public data sources to give you even greater insight and context into your school's financial performance.

## A bit about Arbor

Our mission is to help schools all around the world use their data more effectively to save time and improve outcomes.

This report is designed to show you how valuable data can be to help guide decision-making, and give you a tiny taste of what we can do.

If you like this report, you'll love our [Management Information System](#). This makes data in Tavistock Community Primary & Nursery School intuitive for all school stakeholders, allowing you to improve outcomes on a daily basis. Why not check out [www.arbor-education.com](http://www.arbor-education.com) for more information?

## How we did this for Tavistock

### Why create a report?

This report has been created just for Tavistock to help you to see the power information can have when intelligently analysed, and intuitively presented. It also acts as a small introduction to what Arbor can do. Hello!

If you like the free report, [sign up](#) for more below, or [get in touch](#) to see how we really help to use data to drive school improvement (and save you money!).

### How did you get the data?

This report has been created using publicly available information sourced from the Department for Education, Ofsted and Google, which our clever data scientists then imported into Arbor's Adaptive Management System for analysis and output. The result was an individual finance report unique to each school. No two are even remotely alike. Each is special.

### How difficult was it to do?

This report used our massively parallel analytics engine, which we've been developing for three years to help schools manage their data. It involved crunching 150 million data points almost instantly to produce 19,320 individual PDF reports, one for every school (who reports their data) in England. From design to delivery took us around a day.

### Why do I have some data missing?

We do the best with what we are given, but we're not magicians! Either the data wasn't reported to the DfE, or it was disguised to preserve anonymity, so we've listed it as not available.

### How do we define 'disadvantaged'?

We use the DfE's most recent definition, which includes looked after children and any child claiming FSM in the last six years.

### How did you derive your LA and National averages?

We benchmarked Tavistock on a variety of measures to allow you to analyse your budget in a wider context. We only compared Tavistock to other primary schools, both in the schools like you, local authority and national measures, making the comparison more meaningful. After all, a primary school's spend is different from a secondary school's, which is different from a special school. An average that included all three would be misleading.

### What is a school 'like you'?

We created the schools like you measure to give you the most meaningful comparison to Tavistock. First, we filtered by all primary schools for the reasons mentioned above. Then, we filtered by schools who were inside/outside London as this changes your cost structure. Next we filtered by size, ensuring that Tavistock is compared to schools with a similar number of students. Finally we took your FSM, SEN and EAL data, weighted them 26%, 67% and 7% respectively, based on the size of the attainment gaps at KS2, and combined them into a baseline score to find schools with similar demographic intakes to Tavistock. We chose a group of 100 similar schools around this baseline, 50 directly above and 50 directly below your score, and benchmarked your performance based on this. After all that, we sat down and had a cup of tea as we were exhausted!

## Definitions

We have used the DfE's own definitions drawn from the Consistent Financial Reporting Framework. For more information about how the DfE classify different categories, please [click here](#). Below we have shown how Arbor has grouped the different categories, which is consistent with the DfE methodology, allowing for comparison.

### Income for Tavistock Community Primary & Nursery School

Grouping	Item	CFR Code
<b>Grant Funding</b>	Funds delegated by the L.A.	I01
	Funding for 6th Form students	I02
	SEN funding	I03
	Funding for minority ethnic pupils	I04
	Pupil Premium	I05
	Other grants & funding	I06 + I07 + I15 + I18
<b>Self-generated income</b>	Facilities & services	I08
	Donations	I13
	Other sources of funding	I11 + I12

### Expenditure for Tavistock Community Primary & Nursery School

Grouping	Item	CFR Code
<b>People</b>	Teaching staff	E01
	Supply teachers	E02 + E10 + E26 - I10
	Support staff	E03
<b>Resources</b>	Learning Resources (not ICT)	E19
	ICT Learning Resources	E20
<b>Buildings</b>	Premises staff	E04
	Building Maintenance & improvement	E12
	Grounds Maintenance & improvement	E13
	Cleaning & caretaking	E14
	Water & sewerage	E15
	Other occupational costs	E18
<b>Other</b>	Back Office	E05 + E22 + E28
	Catering	E06 + E25 - I09
	Other staff costs	E07 + E08 + E09 + E11
	Energy	E16
	Bought in professional services - curriculum	E27
	Miscellaneous	E17 + E21 + E23 + E24 + E29 + E31 + E32 - I16 - I17

## Arbor's Friends

**We couldn't have done this all by ourselves, and we'd like to thank the people who made this project possible in such a short space of time.**

Challenge Partners is a network of high-achieving schools focused on improving the quality of teaching and leadership, leading to school improvement and better outcomes for children and young people. Challenge Partners also conduct annual Quality Assurance Reviews for each school in the partnership, with trained senior leaders and Ofsted lead inspectors.

LKMco are an education and youth-development 'think-and-action tank.' They support schools, teachers and education and youth organisations by planning, evaluating and improving the way they work. LKMco work to ensure all children and young people receive the support they need to make a fulfilling transition to adulthood by carrying out research and campaigning for action.
