Message from the Head Teacher

The underpass project was a superb example of our school and local community coming together to make a difference and improve the environment for everyone. We are delighted with the result!

Reading Photograph Competition

The winners of the competition were Morgan Haimes and Evie Crockford who each win a book token.

Key Stage 1 Sports Day

Yesterday we held another very successful sports event on our field. In glorious sunshine, the Red house were the overall winners.

Childrens' University Passports

Please write your hours in your Children's University passports and give to the school office in order to claim your hours and go towards certificates and awards.

Meadows Underpass

The redecoration of the underpass is now complete and the council have applied an anti-graffiti layer this morning.

The idea was initiated by parents of this school and they have worked hard to bring the project together. The design was developed by our talented Ms Holden and Y5 children as part of our art enrichment day last week. Our school was supported throughout by parents, community organisations and local businesses and we all now have an attractive area to walk through. Thank you to all.

Year 6 Residential

Our Year 6 survived the rain last week and had a great time at Porthpean. Thank you to the staff members and governor who accompanied the children for this adventurous week.

Move On Up Day

On Monday all children visited their new classes and spent the day getting used to their new year groups. Most of our Year 6 spent the day at the College meeting new friends and teaching staff. We were delighted to welcome our new Reception children to school and look forward to them starting with us in September.

September Car Parking Passes

Passes for the Wharf car park are now available from the school office. It remains increasingly difficult to park in the school car park and we will only give permits if there is a genuine current medical need. Children with needs are prioritised and any adults need to write and request a permit based on medical grounds. Please only use the car park when absolutely necessary and park with regard for other people and the safety of our children.

Kwik Cricket Tournament

On Tuesday our Year 3 and 4 team represented us at a local district festival in Yelverton. They played very well and were the winners of their group—well done!

Good luck to our Year 5 and 6 team competing today.

Parent Governors

We have vacancies for parent governors and information was sent out to every family last week. If you require further information, please ask at the school office.
