

# Summer Ideas Year 4

## Reading

Make sure that you keep reading regularly over the summer. Try something new or read an old favourite.

## Maths

You may want to:

- keep up with your times tables practice. You should be confident from your 2s up to your 12s
- tell the time regularly (digital and analogue)
- learn about area and perimeter (we missed this in the summer term)
- familiarise yourself with units of measure (distance, time, weight). You may use these when out for a walk or shopping
- adding and subtracting (you could practice this in your daily routine, shopping etc)

## Places to visit

<https://www.visitdevon.co.uk/explore>

Dartmoor - explore the moors, try somewhere new and out in the open  
Sandymouth Beach  
Golitha Falls  
St Michaels Mount  
Tintagel Castle  
Rock/ Daymer Bay (ferry to Padstow)  
Gwithian Beach (Seal spotting)  
Buckland Abbey Gardens  
Grenofen/ Double Waters / Burrator  
Tavistock Canal  
Morwellham Quay

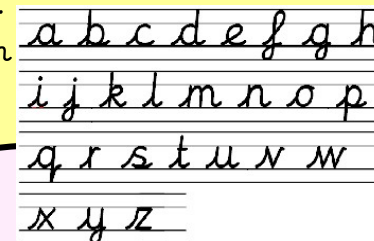

## English

Be creative!

Write anything you want, whenever or wherever you want - stories, poems, songs, news paper reports, diary entries  
-Keep yourself familiar with the grammar that we use in school.

This can be found on BBC Bitesize.

## Handwriting

Practice your cursive handwriting making sure you follow the flow of the letters.

## Tapestry

Uploading what you have been doing onto Tapestry is a great way for your teacher to see what you have been up to.
