Annual Flu Vaccination

Flu vaccination 2019

The Immunisation Team will shortly be offering the Flu vaccination to **all Primary school children from Reception to Year 6**. Delivery of the programme will run from October - December 2019 across Devon, Plymouth and Torbay.

Our vaccination day is Monday 14th October 2019

This vaccination programme is recommended to help to protect your child against flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of flu.

The vaccination is free and recommended for young children, and will be given by a quick and simple spray up the nose. Even if your child had it last year, it is recommended to have the flu vaccine again this year.

Consent via link

Please use the link below to give consent and complete the required consent form.
