

Summer Ideas Year 6

KEEP SAFE
AND
HEALTHY

Learn all of the prime numbers between 1-100 off by heart.

Make sure you are fluent in all your times tables.

Challenge someone to a game of Countdown numbers.

Play Battleships.

Re-read/look at all of your transition information – make sure you are prepped and ready for your first day at school!

Try on your new school uniform and take a selfie.

Make a homework planner so you are ready for September.

Write a letter or an e mail to a famous author and tell them why you love their books.

Write a letter or an e-mail to someone you admire or someone you think is doing a good job – let them know what you think of them.

Learn how to skim a stone

Get to know a tree – find out everything you can about it.

Camp outdoors

Make a mud sculpture

Clamber over rocks

Cook on a real fire (marshmallows count!)

Go swimming in the sea

Build a sandcastle

Learn a new skill. This could be sport related or could involve music or arts and crafts. Try something new!

Keep a diary of the exciting things that happen during the summer holiday. These memories are something you can look back on in years to come reminding you of your last summer before starting college!

Make a pizza from scratch

Taste something you have never tried before

Read as many books as you can. Look online at book recommendations for children your age and attempt to read books from different authors.

Wash a car

Tidy your room

Help empty the dishwasher

Clean out your pet
