

Tavistock Primary and Nursery School

Year 6
W/B 30/3/20

English

Design a setting for a story based around the season of Spring. You can think about any setting you may have used before (mountains/forest/park). Remember to use descriptive devices (expanded noun phrase/ similes/ personification).

- Read independently and write a summary of one of your chapters.

AIR - What settings have you come across in your book so far? Which are your favourite and why?

Listen to a story being read.

- Use the 5/6 spelling list (available in your home school diary) to practise how to spell them. Use them in sentences showing you understand how to use it in different ways
- Log into spelling frame to practice spelling patterns

Watch Newsround and discuss the topic with a member of your family.

Maths

- Practise your time tables on Rockstars, use Numbots for calculation practice
- Practise multiplying and dividing by 10,100 and 1000 (up to three decimal places)
- Daily Arithmetic practice - use MyMiniMaths website or generate calculations using the die.

This week we are focusing on money. Select different items around the house and give them a price in pounds (£) and pence (p). Generate your own questions using these items. For example how much would it cost to buy 3 items? How much change would you get using a £5 note? What about if you wanted to buy more than one of an item?

Challenge:-

Research your dream holiday. How much would it cost? Think about travel, accommodation and any activities you might want to do!

Science and Foundation subjects

Create a safety poster explaining how you can stay safe when using electricity.

Sketch or paint an image of your surroundings - use the view from your garden or a window in your home.

Help a member of your family with breakfast, lunch or dinner.

Music Project - Think about your favourite song. Can you change the words to create your own song about something that is important to you?

How is the United Kingdom different to South America? Do we have any similarities? Why is this?

Write an explanation highlighting similarities and differences.

Exercise

Do a family workout (you could follow a video - Joe Wicks is doing a daily workout at 9am)

Create a dance routine to go with one of your favourite songs.
