Is bullying a problem at this school?

223 responses

This school is really good at.....216 responses

helping me learn new and exciting things.
teaching me new things
letting me learn my next steps for life and moving up to collage
encouraging people to try new thing like different sports.
encourage people to be more respectful to others and learn to do new things
letting us try things
it's good at con solving you when your'e sad and need someone to talk to because they will sit you down and chat
sport and learning
help us get better at things
providing us with new things such as,swimming,and art[learning how to draw different stuff]

encoraging every one
helping people learn and make new friends
making you try new things .
clubs.
challenging us
Giving pupils opportunities such as:inviting them to sports events,going on school trips,trying new food,having different and some of the same clubs every year, going swimming,having cricket lessons,having football lessons,having visitors,doing lessons outside,doing activities outside,doing the mile and making sure everyone is happy with what they are doing.
doing and organising fun events
making us try new things and helping us on things we don know about yet and helping us move on to the different stages ahead of us like collage or year 5 year 6
Giving pupils opportunities such as:inviting them yo sports events like Sports Day
helping people at things .
helping people
encouraging kind behaviour
helping new kids make friends
helping me learn
helping people have the confidence to go into College
helping me when i am upset and when i am stuck on something
teaching pe well and not wasting there money <3
giving us information
keeping me safe and stay fit and strong
teaching you things that you don't understand
letting us solve our problems and they get us to achieve our goals i really like this school <3
This school is really good at teaching PE
keeping everybody safe and looking after kids
encouraging us to try and resolve our problems with other children and if we cant resolve our problems,they help us
keeping everyone safe in a small enviroment
i think this school is really good at lunchtime. All of the napkins and cutlery.
helping me with my learning
roasting people
supplying the pupils with the stuff we need
This school is good at helping me in lesson most of the time and most lessons are fun .I would recomend this school if it made a couple of changes for the childs behalf
This school is really good at resolving things
This school is really good at helping me challenge myself
hellping me with problems and when u go to first aid they will help u all the time and the teachers are

amazing every single one of them
it is good at respect people and good clubs
teaching children well
Being helpfull
helping me do work
teaching
helping people who are struggling and planning assemblies
being heipfull
teaching people a safety life
keeping people safe
teaching
english
solving arguments whith other people
keeping us safe
at keeping people safe
tearching us inglish.
keeping people occupied
Being helpfull
teaching and solving problems in the playground and class
work
work
keeping people safe
teaching an solving problems out in the play ground and in class rooms
teaching
maths
art crafts and taking care of people
keeping me fit, helthy and safe
making friends and sorting problems out are great at this school
recycling
keeping us helthy
they organise sporting events well and allows everyone join in
helping children at understanding their work .
colgate recicling and pen recicling
Teaching
keeping everyone safe and stop bulling

healthy eating
teaching pupils new things.
teaching the pupils and making sure and we have good sports equipment
keeping everyone safe and making sure they are healthy.
keeping the school safe
helping people with learning
giving us challenges in lessons
making people happy
keeping people safe.
sport
making our knowledge better and provide brilliant meals. The school also has a brilliant environment.
learning with Mrs Lake and THRIVE and having lots of PE is fun.
having good teachers
Teaching me.
school dinners
the teachers are really good at keeping after the school.
sports art and learning is fun
The school is really good at the interesting learning and encouragement for challenges, and also great at solving problems!
Are school is really good at sports.
this school is good at making people really safe .
it is really good at sport and maths english .
teaching and choosing what we do wisely.
The school is very good at making sure people from different places [Countries, Cities, ect.]to feel happy to have moved here and giving them a warm welcome.
teaching and choosing what to do.
This school is amazing at sports. They have a great understanding of it.
The school is really good at helping me learn new things and building up my confidence.
This school at looking after you and learning with Mrs. Lake!!! And that you get to do lot's of day and night trips!!! :D
Encouraging others.
This school is mostly encouraged for PE ,swimming,and running.I like the SCHOOL TRIPS like London ,Dartmoor.
yes, this school is great at explaining physical lessons, to make this planet a better place, helping children learn and understand and solving problems with bullying and fights. This school is the best ive been to. ;]
Its amazing at sports and keeping fit . also it is good at its organisation [diner hall helper]
entertainment and activity's. Really good subjects. To make the school better they could tack the fence around the garden down and let every class in like how it used to be.

entertainment and the school has really good subjects for English.
Anybody can talk to the staff, even if it is about something quite personal, you do not need to worry, as they will always understand.
This school is really good at lots of English and maths and the topics are really good to beacuse they make me think more of english and when your in year 4 5 and 6 you get to go to go on night school trips which are amazeing the first one is Datrmoor the year4 one and the year 5 one is London and year 6 is porthping which is really good and you get to do pease posters.....;D
Encouraging students to push themselves to the best of their ability and having a wide range of school activitys.
Encouraging students to push themselves to the best of your ability and the way they offer such a variety of after school clubs.
Encouraging students to work to the best of their ability and providing a good varity of school activitys.
my school is very good at taking care of us and making sure we don't get hurt
maths english.
keeping us safe
assmbljes
math and english
singing
maths and English
singing
sorting things out
sorting fings out
doing my best at singing
encourages me to think about good behaviour.
Being kind
Keep l on each other in school
Keep l on each in school
hard working.
is good at teaching people
lewrning
It IS good at helping people.
writing
keeping us safe
being safe.

sport
the school is good at sorting things

helping me
idno
helping autistic people
this school is good at art
Making sure children are safe
helping people get better at things they are not very good at.
Looking after school equipment
helping us and representing the school

But could be even better if.....210 responses

we could have more time on the field
i would like more clubs like basketball club
there would be more clubs such as: fencing, rugby,taekwondo and dance
we had a chance to do more clubs.
when the lunch hall is being cleaned as we are eating the dinner people wipe the dirt onto us this would be resolved by cleaning before and after that person leafed after eating.
we could have more green-time as people love spending time outside
there was more sports
to add more clubs such as teakwondo
we have more clubs
na
we had more clubs to do such as: fencing, judo and taekwondo
there were clubs like fencing.
we have more art enrichment days.
bring a pet to school day because it would make children not misrrible all the time .Extra swimming lessens would make school more fun and if you still dont know how to swim you can learn how.
There was a wider variation of clubs such as: a hurdling club like we did at an event on the 2nd of July and a sprinting club so people can learn how to sprint.
we did games with other years
if there was more clubs such as fencing` hurdling and more places and activities in the playground and in class
they add an extra swimming club like all yr 4's do, hurdling club like we did at an event at Whitchurch on the 2nd of July.
more clubs are added (fencing)
If you make a bike club because it is good exercise
nothing
there was no bullying
if they had more breaktime equipment

They treated all the pupils the same and didn't favourite one over the other.
if they did not give so much homework
they didnt give us homework on weekends because it is our are our time because we work already for 5days a week thx
more checking on the kids feelings
if they made homework harder
they gave us even more challenges
it will be much better if we had no homework and have a longer summer holiday
We didn't have any homework
pj day and more days of at christmas and easter and no homework
if we had no homework because the weekend is our time to relax and not think much about school and work
give us more days off at easter and christmas
it could be even better if we didn't have to use plates and we could just use lunch boxes. it would also be good if when people are selected for things it shouldn't just be sports
they listened to peoples problems (i find)
i had friends
they listen more and if they try to motivate the students better
I think it could be better if the teachers gave rewards more farely and treated everyone equally;somtimes they make me feel worse about arguments they should also listen to everyting you have to say. PLEASE make this come true i find this important .
They had more drink options and did world book day more than once a year
But it could be even better if we can tell everone in assambaly to not have boy friends or girls friends
we all had a hole school trip somwere and if we all do a asembally and show all the pearants and everyone els
you add more clubs so the school get more money
nothings wrong with the school,its fine as it is.
There cold be nicer children
lgive me a laptop
we had p.e every day
we get a pineapple pizza every day
they give us a whole cake every day
there was a bit more maths
it would be better if they had 13 things in each playground
we could play more
we havto lisenwenwor
people dont be mean
if we have a bit more time learning
if there is more relation ships

+
+
we got to have more play time.
we had more laptops
There could be nicer children
i don't think it needs to improve
we stopped Talking
we stopped talking
you could keep Mr Holt as a teacher
i think that our school does not need anything else to be better - i enjoy it a lot
you can send us to lunch earlier
if it was art everyday.
having more break and lunch time
we did more Maths
people were quite nicer and the younger children had the same amount of playtime as the older ones also we could do art for two days instead of one day and some people are asking for more huff and puff things so it would be great if we had more of those
we did more art
nothing
P.E was a major subject as we barely have any time for it
there were more assistants in the classroom at once .
we done more english
More learning
people that annoy other people in class and then tell the other person not to tell. should be sent out of class to a different class until they can be nice to the whole class including teachers
if we could change clubs all the time not repeating
we could do more PE sessions.
we had more time outside in the summer
they make the break a bit longer.
more sport activities like contact rugby, rounders' , hockey and other enjoyed sports at this school
the school do more sports such as rounders and if there is someone who is very good at sports I recommend that the school can sign us up for development centers for that sport
More equipment like the climbing frame and obstetrical course.
if there is no naughty children around and more learning.
if we had more activity
the rooms were decorated for Christmas with loads of colours.
at letting people bring toys in that are bad

There is more maths.
the doge ball club was back
we could have a volley ball.
we could have tennis
But this school would be better if we had more exercise encouragement and teacher assistants.
they had more better foot ball.
the school can be better if it have some more teacher assistants .
they had more stuff to play with in the playground for example swings .
we could have more playtime and more exercise / P:E but not to much to miss learning .
It would be better if the school had more teaching assistants, also if they planted grass for the football pitch, as if you trip on it, it would hurt more if you fall on something hard rather than something more soft like grass.
we had more play time and P.E because we need more exercise and more clubs
They made every one respect each other a lot more !
It would be better if learn different languages such as Spanish and Japanese.
If they could make the class rooms more decorative when its comes Easter or even Christmas time!!! :S
Making the club forms paper agan
It would be better if we decorated instead of cream walls and maybe some colour in the classes and improve the school by making a assembly room.
I would never change this school. ;]
It had a cage around the football pitch so no one kick the ball that is not allowed and we do not have any footballs going over.
They took the environmental fence down but every thing else is good :)
If we were less restricted on some prodjects about our design or ideas, the school would be better. :)
It would be way better if the school clubs were on pieces of paper beacuse my mum does know when the clubs are out and it would be way better if are school replace the climbing frame with troplines beacuse lots of poeple have really hurt themself such as someone has broke there arm and there has splitters and maybe add more rooms in the school and add a bigger bike shed and maybe add more atives on the school clubs such as baseball.....[; ;D
There was different languages we could learn that is not french. I also think there should be more climbing equipment.
There was more languages that we could learn that was not french. Iwould also ask for more climbing equipment in our playgrounds
We learnt more languages that is not french. I also think that we should have more climbing equipment in the playgrounds.
i keep try and try till i get it.
couldnt get any better
art
more teachers
a ssembliespractice

A new big playground
if we have more practice.
we worked together as a group more in class
we worked as a group more in class
put on a show
There was a teacher of FUN!
All of the children were kind
Have sensible children in school
Have sensible children in school
had a bigger playground
whiteboard pens were sharper and blacker
more playing
I think there should more activity in the ks1 Playground.
writing club
couldnt get any better
had less bullying.
practice time
the school was bigger
Maths
there was no rough play
if there was no rough play
more reading books
listening better
have more time at school
funy friday
WE WORK TOGETHER
big playground
more reading with teachers
you listening and taking responsibility
A outside class room
practice time
learning different languages
bigger classrooms

we can do uther art things
MAKE BRAND NEW TOYS
we play better wif friends
we did more art
being quieter in the corridors
there was more art
more reading time
if we do more english
if we did more art
we did more art
if there was no bullying
more we did art and maths
art
toys to play with after learning
we had more help
more play
Only if we do P.E with foot ball matches in side or outside in the Key stage 2 playground
more art lessons
We had better choices made and more challenging work.
we listen more when the teaches are talking
have more PE equipment
more art days making things
they do more art
help us do conflict resolution
if we had more art time
more art
play foot ball 5 days awec in the park
be better at listening
showing me things I dont know
handel the behvor
more art
if you can do harder maths
nothing
nuhting

WE HAD MORE LUNCH ORDERS
we had more peopel
allowed to have longer play time
IF IT HAD MORE PEOPLE
we could have a minitue more on breack time
art
we have 3 break times and 1 lunch time
it would be better if you would not take a play time from key stage 2
there was no Pokm'on cards . and loads of new friends.
we had longer playtime
having shorter lessons but more in a day.
the lessons were more fun and technical at the same time.
there was more brake time and green time.
the lessons were more fun
more people join
the children had more break.
we get more break time
we could focus on unkindness
it could be better if we cowlhave more playtime
i new more
idno
we did more P.E games
we would have more break time
If we did English more often
we did more P.E
we did art very regularly
we had know morning playtime
