	A2. Baselines will be completed in first 6 weeks. Assessments will be completed at regular intervals over the term, so that we can monitor. Majority of our starters are from Nursery so we know barriers. Q3. Will Reception use drawing club and Little Wandle? CP A3. Yes. (EB) Q4. KS1. What are the plans for the children who did not pass? (TB) A4. Catch up sessions will be completed. (NC) Words first and dyslexia screening to support those children who are not accessing the Little Wandle scheme. Support from phonics lead is also being implemented for next year. Q5. Do staff like the scheme? TB A5. Yes. Feedback is positive. NC We need to change the way multiplication is being taught. NC Q6. Is that indicative of maths, or just times tables? CP A6. Yes, a bit, but we have brought in White Rose which will help. It does not teach regular times tables, so we will need to teach that separately. There is a high level of need in the next year 5 cohort. The writing lead has been moved to year 5 for next year. She knows what will be needed in preparation for year 6 and that should have an impact on this year group. Key for governors next year is to look at value added and tracking of progress. (LC) Use of Bromcom and assessments to identify gap analysis. We will use these tools next year. (EB) Governors agreed to reschedule future meetings, to coincide with a review of internal data. SSIP will address the gap between SEND, non-SEND. Slide 13 Next steps. Start early next year to make sure that teachers know what learning and behaviour issues need to be addressed as a priority. Governor monitoring. SSIP will play a large part in that. Success criteria, key performance indicators are needed so that Governors can monitor the effectiveness of interventions implemented e.g. staff training.	CHALLENGE CHALLENGE CHALLENGE CHALLENGE
