

Tavistock Primary and Nursery School

Week beginning: Monday 4th May

Year 5

English

The next sequence involves a Film called 'The Piano'.

Watch it on You Tube:

<https://www.youtube.com/watch?v=gEAnre-s4-o>

- Discuss with a family member what you think the main themes of the film are. What are the key messages the film is sending? Write these down.
- This is an 'emotive' film. Look up the definition of 'emotive' and use it in a sentence.
- Choose 4 parts of the film that affect how you feel. Describe the scene and how each makes you feel. Explain what it is in that scene that makes you feel that way.
- AIR: Think of an event in your book that has affected how you feel. Describe the tools the author has used to affect your feelings this way.
- Listen to a story being read.
- Use the 5/6 spelling list: Test yourself on 10 new words this week.
- Keep writing in your diary!

Maths

- Try to achieve your best score of times tables on Rockstars, Hit the button or Topmarks. Try the link White Rose maths too. <https://whiterosemaths.com/>
 - Test all of your times tables. Try using the inverse (dividing) too.
 - Use this link to help you revise how to 'reflect' a shape and find out how to 'translate' a shape. Answers are given to help you. Explore and answer each.
 - <https://whiterosemaths.com/wp-content/uploads/2019/05/Year-5-2018-19-Summer-Block-3-Position-and-Direction.pdf>
 - Now draw an x and y axis of your own. Draw a triangle on it, making sure you can give the coordinates for it. Write them down.
 - Draw in a line to reflect it in and write down the new coordinates.
- Now give a translation instruction of your own (ie 2 left, 4 up). Write the new coordinates. Can you repeat with different shapes?

Science and Foundation subjects

- Investigate how to separate 'solutions': https://www.outstandingscience.co.uk/index.php?action=view_page&page=view_unit&unit=5c
Investigate the best place to put a cup of salt solution so that the water evaporates most quickly. Choose 4 locations and measure the amount of water in each container over the course of 7 days. Transfer your results to a line graph and use this to answer the question.

History:

- Using this link or another reliable resource investigate what it was like to live in the Shang Dynasty.
 - Decide what class of person you might be in the Shang Dynasty and write a diary entry describing an eventful day for you
- <https://www.bbc.com/bitesize/clips/z3s8g82>
<https://www.bbc.com/bitesize/topics/z39j2hw>

Exercise

Create your own workout involving repetitions of sit-ups, press-ups and star jumps. You decide how many and any other exercises you will include. Challenge a family member or yourself to beat your record each day.

Try some yoga daily. Cosmic Yoga has some great sessions to try or use a different site.
