ARRIVAL AND DEPARTURE

- **DO NOT arrive before 8.55am** when children will be able to walk in through their respective entrances and parents should leave the playground.
- Only **1 adult** should be on site to drop off or collect children. Unless they are personally collecting siblings, college students should not be on our playground.

COVID SYMPTOMS

YOU MUST NOT COME TO SCHOOL if you or a member of your household has any symptoms of Covid 19. The rules for 10 day self isolation and testing continue to apply.

RELATIONSHIPS AND SEX EDUCATION POLICY

Relationships and Health Education is a statutory requirement for all children in Years R to Y6. Additionally, for many years in this school we have taught a very effective sex education programme for Y6 as part of their preparation before secondary school. Please see the attached policy and outline of content for further details and do get in touch if you have any queries.

CLASS PROGRESS MEETINGS

In the next two weeks all teachers will meet with Mrs Handel/myself and Mrs Lashley (SENDCo) to discuss the learning needs of every child in their class. This is particularly important this term as we have assessed the children's progress as they returned from home learning and are planning the 'next steps' for the Summer.

SCHOOL LOTTERY

THANK YOU for everyone for supporting us—another lucky winner of £21.90 on Saturday. Every week this lottery raises approximately £30 for our school and this adds up to £1500+ a year.
