English

Continue your industrial revolution diary entries. Decide what is going to happen to your character next.

Choose an activity you regularly participate in and explain all about it. Make sure you sound like an expert!

- Read independently and discuss what you have read.

AIR - Which, of the books that you have read, has the best ending? Explain your choice thoroughly, using examples from the text.

- Listen to a story being read.
- Use the 5/6 spelling list (available in your home school diary or online) to practise how to spell them. Use them in sentences showing you understand the different ways the word can be used.
- Log into spelling frame to practice spelling patterns.

Watch Newsround and discuss the topic with a member of your family.

Maths

- Practise your time tables on Rockstars, use Numbots for calculation practice (same togin)
- Practise multiplying and dividing by 10, 100 and 1000 (up to three decimal places)
- Daily Arithmetic practice - you can download past SATs papers or use MyMiniMaths website or generate calculations using the die.

Learn all the names of the 2D and 3D shapes.

Draw nets of cubes and find at least three which work.

Create tangrams (pictures made from accurately drawn 2D shapes). Make sure you can name all the shapes you use.

Science and Foundation subjects

Draw three working circuits and three that won't work. Can you use the correct symbols and explain why they work?

Create a piece of art 'Spring'. Think about all the things we saw on garden day.

Play a board game.

FaceTime a family member you have not seen for a while.

Enjoy an indoor family picnic.

Look at the lyrics of your favourite song, can you use any words or phrases in your writing?

Create a poster to encourage people to visit South America. Think about your target audience and alter the information you use to suit them.

Exercise

Do a family workout (you could follow a video).

Take a walk with your family.
